

This is about as low as you can get. This is not how a free society conducts elections. Bush is fighting a war on terror abroad and the republican party seems to be fighting a war on freedom at home. What happened to republicans? They had honor once, but not anymore it seems. At any rate, this seems to be a pretty clear violation of election laws, and so I think Sinclair should either be blocked or forced to screen Fahrenheit 9/11 right afterwards. That seems fair.
